**WE ARE THEIR ONLY VOICE.**

**IT IS UP TO US TO MAKE THEIR VOICES HEARD.**

The FDA has issued warnings in 2007, 2008, 2011 & 2012 to caution consumers against feeding their dogs treats that were imported from China. There are currently over ~~200~~ 3600 illnesses & nearly 600 fatalities resulting from these products. Sadly, the number is increasing daily. The FDA is also investigating the deaths of 9 cats that consumed these treats

Carefully read **ALL** labels. American & Canadian companies are selling dog jerky treats that were 'Made in China'. You must look for the fine print *Made in China*. These companies can be deceiving. Your Furbaby's life depends on it.

Recently, as reported by MSNBC, the FDA has cited 3 of the top offenders:

- ✓ **WAGGIN TRAIN** \*Produced by Nestle' Purina PetCare Co.
- ✓ **CANYON CREEK** \*Produced by Nestle' Purina PetCare Co.
- ✓ **MILO'S KITCHEN** \*Produced by Del Monte Corp

Please take a moment of your time & sign our petitions to ban these products from entering the U.S.A. You just might save a life.
